Installer declaration

I, _____, hereby declare that:

- I am the responsible installer who has performed the testing and commissioning of the battery installed at the site above.
- There was no existing battery system at the site before this battery was installed.
- The installation of the battery complies with the battery installation standard AS/NZS 5139, the Australian Wiring Rules (AS/NZS 3000) and any other applicable requirements.
- I have provided all documentation that is required by the Standard to the Purchaser.
- Where the battery is installed indoors, it is fitted with a working smoke alarm that meets AS 3786, and I have tested that the smoke alarm is functional.
- The information I have provided is complete and accurate and I am aware that there are penalties for providing false or misleading information in this form.

Clause 130 of Schedule 4A to the *Electricity Supply Act 1995* imposes a maximum penalty of \$11,000 for knowingly providing false or misleading information to the Scheme Administrator.
